- Irvine

### STRUCTURAL ENGINEERING

- Sacramento
- Irvine

### INTERIOR DESIGN

- Sacramento

### REQUIRED WITH APPLICATIONS:

- Resume
- Cover Letter
- Digital Portfolio (Architecture Only)

Each summer Lionakis welcomes a new group of future architects, engineers and interior designers into our EP Summer Internship Program. While each intern is integrated into a studio team for the summer, you will have the opportunity to come together weekly with your fellow interns to learn more about the firm and the industry.

Lionakis is a multi-discipline, multi-market firm, offering you a unique and well-rounded view into the industry. In addition to learning about each market and discipline, you will be exposed to broader industry topics, such as lean construction and business development.

## ACTIVITIES

- Intern Wednesday EP University Weekly Lecture Series
- Design Technology Training
- Visits to Project Construction Sites
- Sketch Walks of Local Architecture
- Team Building Activities

## EMERGING PROFESSIONALS PROGRAM

We want you to be inspired by spaces and the architecture around you! Sketch something that inspires you showing space, form, light, order, etc. It could be anything; a public monument showing the rhythm of columns, the façade of a house walking through the neighborhood, or the way the sunlight comes into your living room and interacts with your furniture. Any type of hand media is welcome, but will need to be submitted digitally, so think through how best to capture your sketch whether in photos or scans.

**DUE DATE:** MONDAY, MAY 1, 2023

**1ST PLACE PRIZE:** \$1,000

**OPEN TO ALL STUDENTS  
AND 2022 GRADUATES**

2020 ENTRY: "A Brief Escape" by Kyle Beedle

2022 ENTRY: "Bedroom In Space" by Shweta Shiravadekar

## WHAT FIRM IS RIGHT FOR ME?: RESEARCHING DESIGN FIRMS

### DESCRIPTION:

Whether it be for an internship or a full-time position, finding the right firm for you can be a daunting process. How do you get started and what should you look for? In this webinar we will go beyond salary, vacation time, and your 401k to discuss topics unique to the architectural, design and engineering industries. You will learn what to look for and what questions to ask when researching design firms, giving you the right tools to begin your job search. Questions are welcome and will be answered in a Q&A session at the end of the webinar.

### PRESENTERS:

Danielle Smith, SE | *Structural Project Manager, EP Program Director*  
Claire Seger, Architect | *Education Studio*  
Matthew Harris, Architect | *Education Studio*  
Carol Lanham, Principal Architect | *Civic Studio*
